

Download the Official IRS App *IRS2GO* on Smart Phones or Tablets To Prepare and File Taxes

On February 02, 2017, The Internal Revenue Service (IRS) announced taxpayers may now use their smart phones or tablets to electronically prepare and file their federal and state tax returns using the IRS fee file app, IRS2Go. The official mobile app is called IRS2Go and may be downloaded at Google Play, Apple app Store or Amazon. In addition to preparation and filing of the your return, the app can also be used to check refund status, make a payment, or access free tax help. To learn more about the app and its features visit, irs.gov or download via your device operating app store.
